PROFESSIONAL SUMMARY

Aspiring Junior Developer gaining experience in building web applications using React, ASP.NET MVC and Blazor. Developed full-stack projects integrating machine learning and REST APIs. Seeking to contribute backend and web development skills.

PROJECT PORTFOLIO

SignNU | React, Vite, JavaScript, Typescript, MongoDB, Git, Copilot, GitHub **March 2026 - June 2026**

Live Demo: signnu.work

- Approval and Signatory system, implemented 2FA, email service and real time messaging.

RestoKiosk | .NET Blazor, Supabase, MS Copilot **Jan 2026**

Live Demo: <https://kioskmenu-d6hna9fjhmbga0ev.eastasia-01.azurewebsites.net/>

- Integrated Supabase for real-time database management and secure user authentication.
- Implemented an Admin Dashboard utilizing state management to track order history and menu inventory.

ASP.net Sales Predictor Web app | ASP.NET MVC, MS Copilot **May 2025**

Live Demo: <https://salespredictor-gucwfabagye5fhbt.eastasia-01.azurewebsites.net/>

- Developed a predictive analytics engine using ML.NET and the LightGBM algorithm to forecast sales trends from excel files.

Splash: 2D shooter | Unity 2D Android, C#, Git

Jan 2025 – Feb 2025

Live Demo: <https://moacworks.itch.io/splash>

- Programmed character with Animator, controllers and game logic using C# scripts, incorporating Rigidbody 2D physics and collision detection.

TECHNICAL SKILLS

Languages:	C#, C++, JavaScript, Typescript
Frameworks:	ASP .NET MVC, React, Vite
Development Tools:	Git, GitHub, VScode, Visual Studio, Figma, Unity
Technical Skills:	Microsoft Office Suite, Power Automate
Soft Skills:	Task Management, Team-oriented

EDUCATION

Undergraduate Degree

Bachelor of Science in Computer Science (Dean's Lister)
National University Laguna

2023 - Current

Senior High School

Science, Technology, Engineering & Mathematics (With Honors)
Systems Technology Institute Sta. Cruz, Laguna

2020 - 2022

AWARDS/RECOGNITIONS/VOLUNTEER WORK

- | | |
|---|-------------|
| • Marshall Committee volunteer for General Assembly | 2026 |
| • HackTheBox UCTF: Tinsel Trouble participant | 2025 |
